INTRODUCTION

This index covers issue numbers 121 to 144 of the NORTH EASTERN EXPRESS, the journal of the North Eastern Railway Association.

All major articles appearing in the NORTH EASTERN EXPRESS are listed by subject in alphabetical order, as are many minor items such as Acts of Parliament. Items appearing in Notes and News columns are not listed. Photographs are indexed in a separate appendix.

Index entries refer to the number of the individual journal and to the first page on which the item appears. Thus an entry 122/47 refers to an article beginning on page 47 of Express No. 122. Articles appearing in supplements to individual issues are denoted by a suffix "s" (e.g. 132s). Other references to special supplements and particular newsletters (e.g. N145) should be self evident. There are a number of references to articles in earlier issues where these are continued into the present index. Similarly "Cont" indicates an article continued into issue 143. References for photographs are given in the appendix. Other references used are as follows : - ifc - inside front cover; bc - back cover.

The NERA wish to acknowledge the assistance of Denis Whitfield in the preparation of this index.

THE NORTH EASTERN RAILWAY ASSOCIATION

The North Eastern Railway Association caters for all those interest in the railways of the North East, in particular the North Eastern Railway, Hull & Barnsley, but also the many private and colliery railways. Model Makers, historians and those just interested in the North East are equally welcome. There is a programme of regular meetings in York, Darlington, Hull, Leeds and London. An illustrated journal is issued to members quarterly accompanied by drawing supplements and general notices on current activities. A Membership Prospectus can be obtained from : -

Mr. T. Morrell, Membership Secretary, 8 Prunus Avenue, Kingston Road, Willerby, Hull, HU10 6PH.

A sales list of other N.E.R.A. publications can be obtained from : -

Mrs. C. E. Williamson, Sales Officer, 31 Moreton Avenue, Stretford, Manchester, M32 8BP.
